## Continuity and / or Commencement of Care

Patient Name: \_\_\_\_\_

I want to maintain continuity of care or commence care with Ray Bealuac and have chosen to see Ray Bealuac at Macy O&P LLC. My decision is not based on any solicitation from Ray Bealuac or Macy O&P but rather my desire to start or continue to see Ray Bealuac for my prosthetic and/or orthotic care.

Our patient listed above has told us that he/she has chosen Ray Beaulac and/or Macy O&P LLC to be O&P care provider.

Ray Beaulac or Macy O&P LLC did not solicit us to provide services to this patient and we approve Ray Beaulac coming here to our facilities and see the patient with us for joint appointments as needed to help provide the best care possible to the patient.
